Daily Attendance

Hybrid students need to check in on their virtual days at home.
Virtual students need to check in every day.

- Attendance must be completed on the days your child is not at school using Infinite Campus.
<https://fleetwoodpa.infinitecampus.org/campus/portal/fleetwood.jsp>
- Attendance must be completed by 11:59 PM or they will be marked unlawful.
- An email will be sent to all parents the next day for students who did not login on their virtual day to communicate the student did not login the day before.
- If your child will not be attending school, please call the office by 10:00 AM or email Mrs. Skriletz @ kskriletz@fleetwoodasd.org. An email will be sent out for the student's absence if we are not notified.
- State law requires a written note/email by a parent/guardian stating the reason(s) for a student's absences from school. The student will be marked unlawfully absent until a note is received, within 3 days following the absence. A written note/email is still required even if you call your child off from school.

Dismissal Changes

A note must be sent to the classroom teacher/office whenever regular dismissal plans are changed. If there is not enough time to send a note, please call the school office. If the school is not notified of such changes, established school procedures will be followed.

WC PTA School Directory

WC PTA provides an all school directory. We are asking each family to submit a goggle form for each student that they want to be published in the directory. We will gather the information and create a PDF book that will be emailed out to **only** those families of the students whose names appear in the booklet. No information will be given to anyone else. By completing and signing the google form, you are giving us permission to publish your information in our book. Students will not be included and will not receive a booklet if the google form is not completed. Please fill out only the information you want published. The goggle form needs to be completed by October 23, 2020. Below is the link for the google form:
